Subject: Change of start time--El Segundo Complaint Energy Commission Hearing

TO: Persons Interested in the EL SEGUNDO POWER REDEVELOPMENT PROJECT COMPLAINT (12-CAI-03)
FROM: Paul Kramer, Chief Hearing Adviser, California Energy Commission
SUBJECT: **Revised Start Time (1:00 p.m.)** for September 12 Energy Committee Business Meeting re El Segundo Complaint

The Energy Commission's consideration of the complaint filed by Michelle Murphy and Bob Perkins on July 3, 2012 will be near the beginning of the agenda for the September 12, 2012 regular Commission Business Meeting held in Sacramento. The Business Meeting itself will begin at 1:00 p.m. instead of the usual 10:00 a.m. The agenda for that meeting will be posted at least ten days prior to the meeting at http://www.energy.ca.gov/business_meetings/index.html. On that agenda you will find information about participating in the meeting via telephone or WebEx; if you wish to speak during the meeting, please use the telephone option as WebEx is listen only.

I'm sending this message to the Complainants and other interested persons such as Commission staff, the project owner, and those who have petitioned to intervene. I'm also sending it as a courtesy to those persons who have submitted comments in the case to this point; those persons should subscribe to the project listserv (<http://www.energy.ca.gov/listservers/>) to assure that they receive future notices and other information regarding the project.
