Re: Ivanpah Solar Electric Generating System (07-AFC-5): Notice Pursuant to 20
CCR 1716(f): Data Requests 1 through 116

Dear Commissioners Byron and Boyd:

VIII, LLC (the "Applicant") hereby files this notice as required by Section 1716(f) of the
Commission’s regulations regarding the need for additional time and the basis for objections to
certain Data Requests promulgated by Staff on December 12, 2007.

Applicant may need additional time to respond to certain Data Requests. Several Data
Requests are for plans that require the Applicant to coordinate meetings with the Staff as well as
various state and federal agencies. Given the holidays, it will be difficult to complete all of these
meetings within the 30-day period. Accordingly, given the need for agency consultation,
Applicant estimates that it may need an additional 30 days for the following requests: Data
Request 13, 14, 19, 20, 23, 24, 29, and 30. If, after agency consultation, it becomes apparent that
additional time is required, Applicant will provide an updated notice on these Requests. Other
Data Requests seek information that will, despite the diligence of the Applicant, require
additional time to prepare. Accordingly, Applicant will need an additional thirty days to respond
to the following Data Requests: Requests 5, 6, 9, 15, 25, 26, 28, 40, 54, 55, 56, 57, 60, 61, 62,
and 63. Applicant will need an additional sixty days to respond to the following Data Requests:
18, 22, and 27. Of course, Applicant will file responses as soon as possible and will file before
the dates indicated when feasible to do so. Applicant objects to Data Request 82, 83, and 84 as
burdensome. Without waiving any of these objections, Applicant reserves the right to provide
responses, in whole or in part, to some or all of these Requests. Moreover, Applicant believes
that discussions with Staff and interested parties at the January 4, 2008 workshop may make
these objections irrelevant if we are able to reach agreement with Staff on meeting their
informational needs.
Applicant appreciates the good-faith efforts of Staff and has, as its objective for the workshop, the complete and satisfactory resolution of all issues.

Thank you for your time and consideration.

Sincerely,

[Signature]
