Notice of Decision by the California Energy Commission

To: California Resources Agency
   1416 9th Street, Room 1311
   Sacramento, CA 95814

From: California Energy Commission
   1516 9th Street MS-2000
   Sacramento, CA 95814

Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: Calistoga Geothermal Power Plant No. 1

Energy Commission Docket Number: 81-AFC-1C

Energy Commission Contact Person: Donna Stone  Phone #: 916-654-4745

Project Location: NW of Anderson Springs, Lake County, California

Project Description: Change to condition of certification Biological Resources 5-4 to allow the Compliance Project Manager the discretion to suspend boron drift monitoring with a letter, and also to reinstitute the monitoring with a letter if the Compliance Project Manager believes it is needed.

On July 16, 2008 the California Energy Commission approved the above-described project pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.

1. The project will not have a significant effect on the environment.
2. Mitigation measures were made a condition of approval of the project.
3. A statement of Overriding Considerations was not adopted for the project.

The Commission's docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. The final Decision and other information regarding the project are also available on the Commission's web site--www.energy.ca.gov.
