

July 27, 2017

This READ ME.txt document was created to accompany an archive of the 2008 Building Energy Efficiency Standards (Energy Standards) Energy Videos Center (EVC) DVD. Videos that existed on the EVC were also available on a DVD, which are now within this archive.

After extracting the contents of the ZIP file, please open this file to access archived contents: index.html.

The index.html file is in the same folder as this READ ME.txt document. Opening the index.html file should cause a web browser window to open. This browser window will allow easier navigation of the archived video files, as the browser window will provide video titles and explanations. The EVC interactive archive accesses files that are downloaded with this READ ME.txt file.

Size:

1.83 GB is the full decompressed size

Contains:

91 Files, 2 Folders

Number of videos:

68 videos

Text from the original DVD sleeve is provided below.

Please note that most videos within this DVD were created in Flash format, which is discussed in the NOTICE TO USERS.

ENERGY

VIDEOS CENTER

INFORMATIONAL VIDEOS ON BUILDING ENERGY

EFFICIENCY STANDARDS, TITLE 24, PART 6

California Energy Commission

This DVD contains educational videos on various components of the Building Energy Efficiency Standards, Title 24, Part 6, and offers guidance on the design and construction of efficient, durable and sustainable buildings in California that are consistent with the Standards.

The information is divided into subject-specific sections for ease of navigation and includes an overview of the Standards, HVAC, Building Envelope and more. Each section is comprised of educational videos. Builders, contractors, enforcement agency/building department personnel and consumers will find a broad range of informational videos covering:

- * Building Science
- * Renewable Energy
- * Building Energy Efficiency Standards
- * Plan Review and Inspection

For complete content go to: www.energyvideos.com.

NOTICE TO USERS:

This DVD is designed for PC (Windows) use only. You need a Flash Player to view Flash videos on this DVD. Certain pop-up blockers may inhibit your ability to view this program on your computer. If you are experiencing difficulties, turn off all pop-up blockers.
